#### Happy Spring Time!

We hope your second quarter is off to a great start! This spring may bring a change to your payroll service due to the recent acquisition of Intuit Payroll and also brings an announcement regarding PTS's first annual user conference as well as a review of awards recently received by PTS at NOVAtime's February User Conference. Please read on for further details. PTS will also be announcing a number of new products aimed at further streamlining your time & attendance processes in the very near future so please keep an eye out for the announcements. We're extremely excited about the potential of each of these solutions and look forward to your feedback. In the meantime, we hope you enjoy this months newsletter.

#### >ADP Acquires Intuit

For those of you utilizing the Intuit Payroll Service, you may have already been contacted by ADP's representatives regarding the need to switch your payroll system to ADP. ADP has recently purchased the Intuit Payroll Business and is in the process of converting it's clientele to the ADP payroll product line. Please note: "You do not have to use the ADP Time & Attendance component." NOVAtime's Time & Attendance software integrates with most of the ADP payroll packages but also integrates with over 150 payroll services across the country. If the ADP payroll system has not been or is not a good fit for your company - YOU DO HAVE OPTIONS.

If you've already been advised by ADP of your need to switch

services and have decided to use the ADP services, please contact us at your earliest convenience as PTS will need to reconfigure the interface portion of the NOVAtime program. If you've not yet decided whether you'd like to move forward with ADP, PTS can certainly provide you with a list of payroll providers and/or our closest payroll alliances. Upon your selection of a new provider, PTS will complete the configuration of the new interface and get you back up and running payroll in just a few days. In the meantime, below please find a link to Intuit's recent press release regarding the acquisition and again, feel free to contact us with any questions regarding the change. We'll be happy to help.

**Read on for Intuit's Recent Press Release...**

#### >NOVAtime Awards PTS

NOVAtime recently held it's Annual Business Partner Conference at the Flamingo Hotel in Las Vegas where a number of new products and solutions were demonstrated to it's more than 50 nationwide providers. The conference provides a forum for product brainstorming, idea-sharing and acknowledgement and has always proven to be beneficial for all attendees. Pacific Time Systems was graciously awarded for surpassing its overall sales targets and contributing to the development of the NOVAtime product line. The awards received are as follows: 2006 Business Developer of the year, 2006 Golden Circle Award (Top 3 NOVAtime Providers in the Country), 2006 Product Contribution Award (James Ramirez) and 2006 President's Club Award (Top 5 Sales Representatives in the Country - Heide Perez).

Pacific Time Systems would like to take a moment to extend a heartfelt thank you to it's sales, support and administrative staff. who are absolutely critical to the company's accomplishments. PTS strives to set and reach a multitude of goals each year and is truly appreciative of any acknowledgement provided by it's sole Time & Attendance partner in NOVAtime. Congratulations to James Ramirez & Heide Perez for their continued hard work and dedication. Good Luck in 2007!

#### >PTS User Conference '07

Pacific Time Systems is happy to announce it's first annual NOVAtime User's Conference scheduled for Friday June 15, 2007 from 08:30am - 12:30pm at NOVAtime corporate headquarters in Monterey Park, CA. The conference will provide refresher type training for new payroll administrators and an opportunity to view new products and solutions. Continental Breakfast will be provided.

Attached please find an agenda and registration form to ensure seat availability. Support Agreement clients of Pacific Time Systems are encouraged to attend at no charge. Non-Maintenance clients are welcomed as well for a reduced rate of \$75.00 for 4 hours of training and information sharing. Please complete the registration form and fax it to 714-223-7427 Attention: Tieraney Galvan or email it to

tieraney@pactime.com. Please feel free to include your most critical topics as recommendations for the agenda. We look forward to seeing you in June!

## &gt;Product Releases

The following are the most recent version numbers for each of the NOVAtime software packages supported by Pacific Time Systems. Please review your NOVAtime software to determine if your system should be updated.

- NOVAtime 1000:Current Build: 060721
- NOVAtime 2000:Current Build: 060925
- NOVAtime 3000: R4(SP4) Current Build: 070309

Please follow the instructions below to confirm the version number you're currently using and determine if your system needs to be updated to the most recent release.

1. Login to NOVAtime
2. Click on the "Help" menu above the top toolbar.
3. Select "About NOVAtime"
4. Write down the Release and Service Pack Number found beside the NOVAtime Logo if applicable. (Example: R4(SP4))
5. Locate the "Current Build" & write down the Current Build Number: (For Example: 070309)
6. Email this information to [support@pactime.com](mailto:support@pactime.com) along with your contact info.

If your Version Numbers match the numbers above you're up to date. If not, we'll contact you to schedule a good time for the update which can range from 1 to 2 hours depending on the product you're using. There are no additional costs for PTS Clients who are utilizing a support agreement. For clients not currently on a support agreement, time will be billed at the prevailing support rate of \$125.00/hour. Please feel free to contact us with any questions. Happy Updating!

Sincerely,

PTS Support Team  
Pacific Time Systems
